HOLDING OF ABANDONMENT BECAUSE OF
NON-RECEIPT OF OFFICE ACTION**

Commissioner for Patents

BOX: PETITIONS

Sir:

It is respectfully requested that the holding of abandonment
be WITHDRAWN because the Office Action dated November 13, 2007
was not received by the attorneys of record. The facts follow.

PETITION FOR THE WITHDRAWAL OF
THE HOLDING OF ABANDONMENT
Application Serial No. 10/577,970

Customer No. 01933

1. The first information that the above-identified application had become abandoned was a telephone inquiry from Examiner Lau on June 16, 2008, as follows: On June 16, 2008, the undersigned attorney found a telephone message to call Examiner Lau with reference to the above-identified application. The undersigned obtained our application file and called Examiner Lau. Examiner Lau informed the undersigned that the application had become abandoned as a result of the applicant not responding to a restriction requirement mailed November 13, 2007. The undersigned checked the file and informed Examiner Lau that the file did not contain an Office Action dated November 13, 2007. The last document in the file was a RESPONSE TO RESTRICTION REQUIREMENT which had been mailed to the USPTO on October 19, 2007. Examiner Lau said that he would discuss the situation with his Supervisor and would then inform me of the procedure to be followed. Examiner Lau telephoned on June 17, 2008 and informed the undersigned that the appropriate procedure would be to file a Petition for the withdrawal of the holding of abandonment because of non-receipt of an Official Action. Examiner Lau specifically referred to MPEP 711.03(c)I.A.

PETITION FOR THE WITHDRAWAL OF
THE HOLDING OF ABANDONMENT
Application Serial No. 10/577,970

Customer No. 01933

2. A copy of the November 13, 2007 restriction requirement was downloaded from the USPTO PAIR system. A copy of the "Available Documents" was also downloaded and is attached herewith. The most recent document identified therein is the Requirement for Restriction/Election dated November 13, 2007. A NOTICE OF ABANDONMENT is not identified in the Public PAIR system and has not been received.

3. The undersigned personally checked our application file. It contains a USPTO Requirement for Restriction/Election mailed September 26, 2007. This was followed by a RESPONSE TO RESTRICTION REQUIREMENT which was mailed to the USPTO on October 19, 2007 and then by a self-addressed return postcard in which the USPTO acknowledged receipt of said RESPONSE TO RESTRICTION REQUIREMENT on October 22, 2007. The file does not contain any further paper(s).

4.A. The above-identified patent application is Attorney Docket No. 06303/HG. The family name of the first-named inventor is SUGIHARA.

PETITION FOR THE WITHDRAWAL OF
THE HOLDING OF ABANDONMENT
Application Serial No. 10/577,970

Customer No. 01933

4.B. The mail log, in which all papers from the USPTO which require a response are logged, was checked for the period of September 27 and 28, 2007. The September 28, 2007 mail log, item 2, reports that a one-month Office Action mailed September 26, 2007 was received in Docket No. "06303", "Sugihara", "10/577,970" and that the response date was "10/26/07". This is reported to establish that our USPTO mail log accurately reported the receipt of the restriction requirement which was mailed September 26, 2007. A copy of two pages of the mail log for September 27 and 28, 2007 are enclosed.

4.C. The undersigned also personally checked the mail log for the period November 13, 2007 through February 13, 2008. There is no entry in said mail log for the present application Attorney Docket No. 06303/HG during the period November 13, 2007 through February 13, 2008. A copy of said mail log for this period is attached. It is certified that said attached copy of said USPTO mail log is a true and accurate copy. The log is a spiral-bound notebook from which it is not possible to remove and replace pages.

PETITION FOR THE WITHDRAWAL OF
THE HOLDING OF ABANDONMENT
Application Serial No. 10/577,970

Customer No. 01933

5. It is respectfully submitted that the facts set forth herein and supported by the attached mail log copies establish that the Restriction Requirement/Election dated November 13, 2007 was not delivered by the U.S. Postal Service to the undersigned attorneys.

6. The present papers have been prepared taking into consideration the procedure and discussion set forth in MPEP 711.03(c)I.A. It is respectfully submitted that the present showing fully supports a decision to withdraw the holding of abandonment on the ground that the Restriction Requirement/Election dated November 13, 2007 was not received by applicants' attorneys. Such a holding is solicited. It is further respectfully submitted that the above-identified patent application has not been abandoned for an excessive period of time before the filing of the present PETITION and accordingly, a Terminal Disclaimer is not required.

7. Since the Restriction Requirement/Election dated November 13, 2007 was never received by mail in the office of the undersigned, it is respectfully requested that a new Restriction Requirement/Election carrying a new Patent Office mailing date be issued by the USPTO.

PETITION FOR THE WITHDRAWAL OF
THE HOLDING OF ABANDONMENT
Application Serial No. 10/577,970

Customer No. 01933

8. It is further respectfully submitted that there should be no fee in connection with this Petition for Withdrawal of the Holding of Abandonment. However, if it is deemed that a fee is required, please charge any required Petition fee against Account No. 06-1378.

Favorable action on this Petition to withdraw the holding of Abandonment and to issue a new Restriction Requirement/ Election is respectfully requested.

Respectfully submitted,
